

**From Dalworthington Gardens to Today:
How Government Agriculture Agencies Help Texas Farmers**

Directions: In each of the three chart sections below, write in at least three (3) ways that each government agency helps today's Texas farmers. Each agency's website will contain a great deal of information, so focus on site links that use the word "agriculture."

Federal Level: U.S. Department of Agriculture

State Level: Texas Department of Agriculture

Local Level: County Extension Agency (for your county)
